# “Hoops 4 Homeless” - 3 on 3 Basketball Tournament

## Tournament Rules:

1. The 3 on 3 basketball tournament will be half court games played by two teams of 3 with a maximum of 4 per roster. Teams **MUST** have at least three people to start a game.
2. Round Robin Play, 30 teams, top 16 teams make single elimination playoffs.
3. All 4 players on your team must be registered by the deadline. You may play with a team of 3, but you may not pick up a 4<sup>th</sup> player once the deadline for registration is past: Saturday, April 17<sup>th</sup>.
4. **Game time is forfeit time** if your team is not on the court.
5. Games will be played with (2) 12 minute halves. There will be a 5 minute halftime.
6. A coin toss will start each game to establish possession.
7. All games will be officiated by a referee. Arguing calls made by the referees or the occurrence of flagrant fouls will result in automatic ejection of player(s) for the current game being played, at the discretion of the referee.
8. Time will only be stopped for injuries or a flagrant foul. Time will not be stopped for out of bounds, fouls, or to discuss any call, except during the last minute of play (see rule # 18).
9. There are no time outs.
10. Substitutions may be made after a basket or any stoppage of play.
11. The possession changes after each basket (this is not make it, take it).
12. The “Check Line” is determined by the three point arc. The ball must be beyond the arc at the beginning of each half/possession.
13. On defensive rebounds (including air balls) and steals, the ball must be passed or dribbled beyond the arc. The ball does not need to be given to a different player. As long as the ball goes beyond the arc, there are no limitations on who can shoot it.
14. The three point shot is in effect and 2 points will be awarded for a shot made behind the arc and 1 point for any shot made on or within the arc. Referees will make this call.
15. If the ball is knocked out of bounds or goes across the mid court line, the team that is awarded possession of the ball will check it at the top of the key.
16. Alternating possession on all jump ball situations will be in effect.
17. If the game ends in a tie after regulation time there will be a two minute overtime period. Possession will be determined by a coin toss. If after the two minute overtime period the game is still tied, there will be another coin toss for possession, and the first team to score wins (golden basket).
18. During the last minute of regular or overtime play, foul shots will be in effect. This is to discourage teams who are up by one or two points in the last minute to hold the ball and run out the clock. The opposing team can foul, and one foul shot will be in effect. The clock will stop during the foul.
